Plan that  
carries the  
AARP name.**

# An AARP® Medicare Supplement Insurance Plan could be the right choice for you.

You may find that the coverage provided by Medicare Parts A and B isn't enough. In fact, Medicare Part A has a deductible of [\$1,132] per benefit period, even for a single night inpatient hospital stay. And Medicare generally covers about 80% of your Part B medical expenses, which could leave you with up to thousands of dollars in out-of-pocket costs.<sup>1</sup> An AARP Medicare Supplement Insurance Plan, insured by UnitedHealthcare Insurance Company (UnitedHealthcare Insurance Company of New York, Islandia, NY for New York residents), could help protect you against some of these costs — and it features competitive monthly premiums.

## An AARP Medicare Supplement Plan may be able to help.

**Medicare Supplement Plans offer standardized benefits you can rely on. Get the only one that carries the AARP name.**

Like all standardized plans, AARP Medicare Supplement Insurance Plans offer:

- Coverage for some or all of the out-of-pocket expenses not paid for by Medicare
- The freedom to choose your own doctor, specialist and hospital that accepts Medicare patients
- Benefits to help with co-payments and deductibles when you see a doctor or go to the hospital so you can better predict your out-of-pocket expenses

Plus, AARP Medicare Supplement Insurance Plans offer competitive pricing to fit your budget.

## Some plans to note are:

- **Plan A**, a basic and competitively priced option
- **Plan C**, which covers Part A and Part B deductibles, as well as skilled nursing facility co-payments
- **Plan F**, a plan which has the benefits of Plan C and covers the difference between doctors' charges and what Medicare approves<sup>2</sup>

## These plans carry a nationally recognized name.

It's nice to know that you can choose a plan that carries the AARP name. Find out if one of them is right for you.

## Medicare alone may not be enough.

**Choose an AARP Medicare Supplement Insurance Plan.

<sup>2</sup> Under Pennsylvania and Ohio law, a physician may not charge or collect fees from Medicare patients which exceed the Medicare-approved Part B charge. In Texas, charges not to exceed any charge limitation established by the Medicare program or state law. In New York, excess charges are limited to 5%. Plan F pays benefits for excess charges when services are rendered in a jurisdiction not having a balance billing law.
